

## Gift of Care Certificate

Dear

Rather than buy you a present I have donated £..... on your behalf to The Makunduchi Project. This amount will go towards ..... which in turn will help in the overall success of the project.

From

**We at the Makunduchi Project thank you for your support.**

'The Makunduchi Project is redesigning, renovating and re-equipping the district hospital in Makunduchi, on the East Coast of Zanzibar. It will improve the lives of over 60,000 local people and stands to produce a 'blueprint' for future healthcare development throughout the islands. It has been given full financial, managerial and clinical control of the hospital in a unique public-private partnership. We are pioneering a new model of healthcare development and after an agreed term of 10 years we will leave behind a high-quality service, built on sustainability and reliability, with the people of Makunduchi.
